At Tree Nest

At Tree Nest we really love Christmas. Founded on superior craftsmanship, sophisticated style and all-around jolliness, we're revolutionizing the holiday home marketplace. From conception to customer, we manufacture tree stands and skirts and bring the entire process in-house. We work with retailers to produce a product that fits brand vision, and because we do it all, we can ensure it fits standards, budgets, and timelines too.

Select from our collection of curated styles, or work with our team to customize tree stands and skirts to accompany the unique palettes and interiors your customers love. Our sales department will work with you through the entire process to create an order that is specific to your needs. An in-house marketing team of dedicated communications specialists help promote Tree Nest products to your customer base. With the entire supply chain in our hands, we can create a finished product from the factory to the floor, anywhere in the world.

At Tree Nest, we don't overlook anything, and it's why we're dedicated to creating beautiful and expertly crafted tree stands and skirts which hold the very beacon of Christmas decor — real and artificial Christmas trees.

Our philosophy

DESIGN DEPARTMENT

You might say that it's the Christmas spirit that drives our passion to create our collection of expertly crafted tree stands and skirts. We love the holiday season! Our expert team works closely together with consumers and retailers, to create a beautiful collection of curated styles that suit today's trends and preferences.
